Organizational Overview

SOS Outreach, founded and headquartered in Colorado's Vail Valley, is a national youth development nonprofit utilizing outdoor experiential learning to inspire positive decision making in youth for healthy and successful lives. Working with youth aged 9 to 18, every SOS program incorporates the SOS core values of courage, discipline, integrity, wisdom, compassion and humility. SOS mentors help students define and practice these core values as they provide a consistent adult presence for students who may not otherwise have a positive role model in their lives. The program targets youth with a wide variety of risk factors. SOS offers a multi-year, progressive curriculum beginning with a five-day introductory program, continuing with the four-year mentor-led curriculum and culminating when students return to SOS in a junior mentor capacity.
